August 31	Lemke's Bar & Grill in Aurora	First Bank & Trust East Branch parking lot at 5:30 P.M.

Notes:

- These are the dates and locations we put together to try and hit some different places out of town and a couple local ones we do each year.
- Please be at the meeting location a bit before the 5:30 PM time mentioned to leave, so the group can leave Brookings by 5:30 PM. It will be up to the group that meets, as to the exact time to leave and who leads, etc. Depending on where we go, our estimated time of arrival to the destination may vary. We haven't called everywhere we are going, as we don't want to tell them we will have a large group, as we never know how many will show up until you meet to leave for the day. We don't want them to overstaff for maybe only a small group of 8 to 10 people.
- As for the weather, I will let it be up to you to choose if you want to take your vehicle out if it looks close to raining or if it is raining. I will **not** be sending out e-mails stating if the cruise is "off" or if we're still going. If it is raining, I guess you could drive a different vehicle and the group could still drive somewhere to eat and visit for a social outing. So if you want to go still, meet at the location at the time stated, and see if others show up, and you can decide to go or not. But more than likely, I would say, if it is raining in town, there may not be many, if any, that will show up at the meeting time to go, so most likely, it would be cancelled for the night, but I'll let that be up to those of you that may want to go.
- If any changes are needed to be made to the schedule, I will send out an updated schedule later.

Thanks,
Brookings Car Club
